

Model No.:DJP-W310

Feature

- ◆ Fan system with cooling fan
- ◆ Appropriate product design: Contracted design style, super mini body and good performance, the heat dissipation capability of stable
- ◆ Strict ME tolerance control: Full experience tooling design and CNC process good gap control in final system assembly process
- ◆ Support PXE, AWAL, RTC function
- ◆ **1*USB-C connector**

Specifications

Features		Specifications
CPU	Install Method	FCBGA1356
	TDP	15W
	Level 2 Cache	6MB
	Chipsets	Intel Kaby Lake Refresh
	Type	Intel Core i5-8250U Processor, 6M Cache, up to 3.40 GHz, Intel UHD Graphics 620
Memory	DDR3L	DDR4-2133/2400 2*SO-DIMM slots, Support up to 32GB,
Storage	Hard Disk	M.2 NGFF/PCIE3.0 22*80 SSD,UP to 512GB
Graphic	Graphic Controller	Integrated
Communications	Wireless networking devices	2.4G/5G Wifi B/G/N/AC
I/O Port		2X USB 2.0 connectors 2X USB 3.0 connectors 1X USB-C connectors 1X Headphone-out/ MIC-in phone jack 1X Mini DP output 1X DC power 1X HDMI output 1X RJ45
Audio Codec	codec	Azalia Codec support 2.1 channel output
Status Indication	On/Off/Suspend	LED ON/OFF/FLASH
security		Kensington Lock
Physical Outline	Dimension	108*113*30mm
	Weight	388g
Power	DC	19V 40W
	Battery	NA
Operating System		Windows10, Linux
Other function		Support RTC
